DETAILED ACTION

1. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following: The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a) (1) and MPEP Section 1414. Applicant has submitted copies of the reissue declaration from the parent reissue application. This declaration is no longer applicable to the errors that are being corrected in this divisional. While the specific errors listed were corrected in the divisional, other errors are now being addressed in this application. Applicant needs to specify the errors that are now being corrected. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.
2. Claims 46-50, 52-54,56-66,68-118 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.
3. Claims 46-50,52-54,56-66 and 68-118 are allowable over the art of record but are rejected as being based upon a defective reissue declaration as stated in paragraph 2 above.
